

Joseph Cook –Geography & History

I need your vote for 1st Vice President AFT 2000.

A product of the Detroit parochial school system (Detroit East Catholic- 1970) and a (Honorably Discharged) veteran of the United States Army- Vietnam era, I am also a 25 year veteran of the County of Wayne and proud member of the Wayne County Sheriff Department.

I can again proudly state that I was a 15 year adjunct at Wayne County Community College before becoming full-time on January 15, 2017. I will carry on the tradition started by the last administration and demand “Full-time” status, not just waivers for adjuncts who work full-time hours as our past presidents have. As 1st Vice-President I will strive to preserve the arbitration rulings gained by the “Adjuncts” and work diligently on fair determination for ALL grievances with the administration which will be for the betterment of not only the faculty but our students and the whole of WCCCD.

Thank you

Joe Cook

Post Graduate work - EMU (African American studies)

Master of Science-EMU GIS/Geography

Master of Arts-EMU-History
